Jump onboard and prepare for a peaceful holiday surrounded by beauty. Head over to the islands in time for sunset over the water as you enjoy a glass of your favourite wine and meet the others whom you'll be spending time with. Have your dinner served under the stars before tucking in for the night in your cabin. Wake up in the morning to the stunning island scenery surrounding the boat and enjoy a leisurely breakfast on board. Sail down to Tongue Bay to make your way up to Hill Inlet Lookout and take in the stunning vista of the world-famous Whitehaven Beach. Spend some time exploring the beach itself before coming back on board for lunch on the go. Watching the beautiful scenery change as you sail north. Jump into the delightful water for a swim and snorkel over the beautiful coral reefs teeming with bright colourful fish. If you're lucky, spot a turtle or meet George the Maori-Wrasse! If there's time, possibly go for another beach visit or snorkel before sharing an antipasto platter while you watch the sunset. Dinner under the stars once again as you wind down for the evening. In the morning enjoy another stunning vista with breakfast on the deck. Maybe jump in for a cheeky swim before setting sail for the mainland.
